

Second Annual Neuse River Artists Studio Tour

Take a self-guided tour and meet more than 50 local artists and see them at work. You'll see artists working in their homes, in historic buildings, churches, a converted laundry! All of them are proud to be here in New Bern, and to take part in the creative vibe of our town. Visit as many studios as you like, in whatever order you like, at your own pace. **And it's free!**
